

Askari Safari -Birding Safaris Zimbabwe

With nearly 700 species of birds to be found in Zimbabwe plus incredible guides, spectacular parks with richly varied topography, from mountain highlands, dense rainforests, savanna plains and riverine woodlands all combining to produce amazing birding safari adventures.

Askari partners with the best in the business, top notch guides in game rich country, comfortable accommodations with 5 star catering. We plan everything to help you get the check marks in the green on your birding lists.

Our safaris can be completely customizable, you tell us the species you wish to see and we try our best to make it happen.

From \$3,000 per person (sharing a cottage or tent) for a ten day safari covering 2 very different topographies, Victoria Falls and Hwange or the Eastern Highlands and Gona re Zhou.

Don't forget that while birding is the primary objective, you will have great opportunities to see Africa's wildlife at the same time!

We don't just cover Zimbabwe but offer specialized birding adventures to East Africa including Ethiopia, Uganda, Kenya and Tanzania.
